## **POSITION VACANCIES: Health Extension Officers/Nursing Officers**

---

The PNG Institute of Medical Research (PNGIMR) currently has vacancies for a full-time Health Extension Officer and a full-time Nursing Officer to work with the Madang Branch of PNGIMR.

In these roles, you will be an integral member of the PNGIMR Vector Borne Disease Unit clinical field teams, working as part of a team to support highly relevant malaria, maternal and child health research projects being conducted across Papua New Guinea.

### **Do you possess the following skills and attributes?**

- Qualifications/registration as a Health Extension Officer or Nursing Officer
- High level of attention to detail
- Ability to maintain accurate records
- Ability to learn quickly within a given timeframe
- Ability to meet deadlines and objectives
- Ability to work effectively both independently & as part of a team
- Ability to work effectively in both hospital and field environments
- A sound knowledge and keen interest in health and health research
- High level of spoken and written English and Tok Pisin

### **If so, we'd like you to apply!**

Application letter/CV with references should be submitted by 20<sup>th</sup> October to:

**The HR Manager  
PNG Institute of Medical Research  
PO Box 378, Madang, MP511  
Fax: 422 3289  
Email: [kotuwari.onafimo@pngimr.org.pg](mailto:kotuwari.onafimo@pngimr.org.pg)**
