

Safe Exam Browser is a webbrowser-environment to carry out online exams safely. The software changes any computer into a secure workstation. It regulates the access to any utilities like system functions, other websites and applications and prevents unauthorised resources being used during an exam.

1. Download SEB Installer ([Download](#))

2. Download SEB Client Configuration Settings V5_2021 ([Download](#))

Version 2.4.1

Windows System Requirements

- .Net Framework v4.5 or [later](#) ([Download](#))

[Download](#)

and run this small app to check your .Net Framework version.
