Subject: BPW 2011 Scholarships for Women and Girls

Dear All,

Firstly, thank you to those of you who provided your invaluable time and effort throughout 2010 to supporting individual or groups of girls applying for a BPW scholarship in 2010. The results are amazing with BPW supporting a record number of 22 women and girls during the year.

To continue this great work once again in 2011 we will once again need your assistance. Attached is the 2011 version of the application form which we encourage you to provide to your institution or individual contacts for application in 2011.

Those of you who are students who received a BPW scholarship in 2010 and are continuing your studies in 2011 are eligible to reapply for support in 2011.

In addition we need confirmation from those of you who are available to volunteer on the Scholarships Committee during 2011, we certainly need assistance in reviewing and processing the applications – especially if we are going to ensure we top the record we set for 2011.

Please advise if you are unable to assist in 2011 and we will remove you from this email distribution list.

Note I am on leave for two weeks as of today, and will reply to emails only in the New Year.

Wishing you all a safe and happy holiday season, and once again thank you from the BPW Executive Committee for all your fabulous assistance in 2010.

Kind regards

Julie Goodhart and Yogi Barampatax
